

DECLARATION OF CONFORMITY

Product name and type:

AJD

Producer:

Company Name: Systemair India Pvt. Ltd.

Address: Plot No.03, ECOTECH I, Sector-31, Site IV, Kasna, Greater Noida 201308, India

CIN- U31908DL2007PTC164074

Address of production: Plot No.03, ECOTECH I, Sector-31, Site IV, Kasna, Greater Noida 201308, India

Description and determination of the product:

AJD is a long throw nozzle used for cooling & heating applications and are especially appropriate for large rooms requiring a decorative look, for instance, large vestibules, entertainment areas, airport halls, department stores, hotels, etc.

AJD is manufactured from aluminium, with a standard powder paint finish in white RAL 9010 (50% gloss).

The AJD nozzle has an extraordinary good aesthetic design and can be painted by special order to fit any decorative need. The AJD nozzles provide long throws with a low noise level, releasing a long air jet with exceptional precision to a length of over 30 meters. The configuration allows the nozzle to swivel in all directions up to a maximum of $\pm 30^\circ$ in the horizontal or vertical direction.

The producer announce in accordance with law of constructional products, that
product is in conformity
with stated technical and law instructions. This declaration of conformity is published by the producer on his
own responsibility.
